### Mackerel Notes.

The fare of sch. Smuggler sold to William F. Moore and others at \$14.50 per barrel. About 32,000 mackerel were taken off Halifax Wednesday night.

At New York yesterday 100 barrels Irish mackerel were received.

A few large fat mackerel were taken in nets off Georgetown, P. E. I., last week, but none have been taken this week.

The small mackerel of sch. Seaconnet sold at Boston yesterday at \$15 per barrel.

Mackerel schools are reported off Grand Tragadie, P. E. I. So far no large mackerel have been taken around the island this season.

The fare of sch. Constellation sold to Wm H. Jordan & Co.

The fare of steamer Alice M. Jacobs sold to John Pew & Son.

## STOCK OF OVER \$10,000.

Made by Steamer Alice M.  
Jacobs on Seining Trip.

### PROBABLY BIGGEST ON RECORD

Several Fine Fares of Salt Mackerel Here Today.

Steamer Alice M. Jacobs, Capt. Solomon Jacobs, stocked a little over \$10,000 on her recent seining trip, the crew sharing \$221. This is believed to be the largest stock ever made on one trip in the mackerel seining fishery, and adds another record to the many already held by this premier mackerel fisherman. It is perhaps unnecessary to add that the Alice M. Jacobs is high line of the seining fleet by a wide margin.

Sch. Constellation, Capt. Thaddeus Morgan, stocked \$7760 on her recent seining trip, the crew sharing \$178.86. This is the second largest seining trip of the year and one of the best for many seasons. Capt. Morgan is known as one of our leading mackerel killers, a young man whose ability, judgment and hard work have pushed him rapidly to the front. He has been doing remarkably well of late, landing three fine trips in a very short time.

In connection with this trip is an incident which is worth mentioning. About two weeks ago the Constellation came in here to land one of her crew who was ill, the vessel going out without shipping any man in his place. After this big fare was secured and when settling up time came yesterday, Capt. Morgan and his crew decided that their shipmate who had been ashore ill while the trip was caught should have his share, the same as if he had been aboard, and he was therefore made happy with a check for the full amount, \$176.86. It was a good deed, appreciated by the man, and hows what a happy family fishes on the Constellation.

Sch. Smuggler, Capt. Jerry Cook, stocked

\$3400 on her recent seining trip, the crew sharing \$83. Capt. Cook has been doing well lately and his many friends are greatly pleased.

Sch. Atalanta, Capt. Richard Wadding, stocked \$3600 on her recent seining trip.

Sch. Hattie M. Graham, Capt. John S. Seavey, stocked \$5000 on her recent seining trip. Capt. Seavey, as usual, is doing finely.

There are eight seiners in here this morning with 1677 barrels of salt mackerel and 140 barrels of fresh mackerel, all from the Maine coast.

Some of the mackerel fares which have been on the market for several days sold yesterday afternoon at \$13.25 per barrel. This proved to be the low point, however, for later, sales were made at better figures and this morning's sales, though mostly for lump sums, figure out from \$14 to \$14.50 per barrel.

Sch. Navahoe, Capt. Martin Welch, has the banner trip this morning, 310 barrels salt mackerel, while sch. Hattie M. Graham has a \$5000 trip, 306 barrels of salt and 140 barrels of fresh. Schs. Ralph L. Hall and Mary E. Harty are down from Boston with their salt mackerel. Schs. Margie Smith, James and Esther, Bertha and Pearl and Richard and Lester also have good fares. Capt. Welch is keeping up that steady gait of his which always lands him in the front rank and Capt. Harty is doing the biggest kind of a hustle, having landed two big fares in less than three weeks. Capt. Seavey is being heard from right along and Capt. Hall is right up with the procession.

Imports of salt mackerel at Boston to date are 15,325 barrels against 3296 barrels at this time last season.

The catch of salt mackerel to date is about 28,000 barrels against about 32,500 barrels at this time last year.

The imports of fresh mackerel at Boston to date are 5174 barrels against 4676 barrels at this time last year.

The catch of fresh mackerel to date is 55,682 barrels against 63,177 barrels at this time last season.

The fare of sch. Atalanta sold to William H. Jordan & Co. for \$3600.

The fare of sch. Golden Hope sold to John Pew & Son for a lump sum. This firm also bought the fare of sch. Ralph L. Hall.

The fare of sch. Rob Roy sold to George Perkins & Son and others for \$2400.

The fares of schs. Miranda and Richard Lester sold to Slade Goreon & Co. at \$13.25 per barrel. The same firm bought the fare of sch. Bertha and Pearl for \$2150.

The salt mackerel of sch. Hattie M. Graham sold to the Gloucester Mackerel Co. for \$4200.

The fare of sch. Navahoe sold to S. H. Levin's Sons.

The fresh mackerel of sch. Hattie M. Graham sold to the Gloucester Fresh Fish Co. at 8 cents each.

Mackerel struck in pretty plentiful along the western Nova Scotia shore Tuesday afternoon and many of the fishermen made good hauls. T. Renner's seine took about 10,000 fish off Portuguese Cove, and 100 barrels were taken off Halibut Bay. The fishermen sold the mackerel at eight cents each.
